Scotsman DEALER Price Sheet

Doolittle Distributing Inc. (DDI) will, from time to time, issue updated price sheets. Such price sheets will be sent to dealers at least 30 days in advance of any price increase. It is the dealer's responsibility to quote pricing to customers based on the current price sheet. If dealer has any question about which price sheet is current, he should consult the CURRENT DDI PRICE SHEETS SUMMARY document which is posted in the Downloads section of www.ddius.com. Dealer will need to register for a username and password in order to access this document. Alternatively, Dealer can call DDI to determine pricing.
